### **Jeffco Public Schools Offers Programs for Summer School 2009**

Jeffco Public Schools offers a variety of summer school programs to help students with special academic needs and promote student enrichment. The district's Summer School Office is sponsoring core programs in math, language arts, science and social studies at each grade level. Summaries of the district-wide summer school programs follow; more details may be obtained by visiting the district's [Web site](#), or calling 303-982-6988.

#### **ELEMENTARY SUMMER SCHOOL (Grades K-6)**

This year's K-6 summer school continues with a standards-based approach for meeting students' educational needs. The program focuses on student learning and student success for the content standards in the areas of English language arts and math. This program is designed for students who have just completed kindergarten through sixth grade.

**Dates:** June 22 - July 17 (No classes on July 6)

**Time:** 8-11 a.m., Monday-Friday

**Location:** Slater Elementary, Peck Elementary and Westridge Elementary

**Registration:** Early registrations will be accepted online, by mail or at the students' home schools. After Friday, June 5, students may register in person, online or by mail through the Summer School Office, 1829 Denver West Drive, Golden. There is a \$15 fee for late registrations. Non-district students pay an additional \$100 fee.

#### **MIDDLE SCHOOL SUMMER SCHOOL (Grades 7-8)**

**Traditional Summer School Program:** Designed for students who need to remediate academic skill deficiencies and/or make up credit in a required subject area. Students may take up to two classes and earn a maximum of one unit/credit during the six-week program.

**Dates:** June 8 - July 17 (No classes on July 6)

Students may enroll in one or both sessions. One unit/credit classes meet both sessions.
